

PRECISION™ SIMPLIFIED

Innovex – 1 is a Simple yet robust apex locator which uses its novel resonance technique to guarantee the precise root canal working length every time. This device allows you to work safely with the help of in built rechargeable battery. First in class “Probe Detection Feature” helps to enhance the battery life by auto shutting the device when not in use.

This device requires minimum setting time due to its “No Calibration, No Zero setting” feature and works accurately in Wet and Dry canal. Its Display is built with multiple LEDs providing a clear vision, stable and responsive graph.

Medical Devices

InnovPex™ - 1 Apex Locator

Simple & Intuitive design

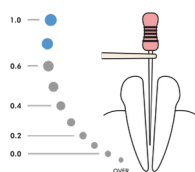

Features :

- Up to 98% Accuracy
- Innovative resonance technique
- No calibration, No Zero setting (Quick to use)
- First in class Probe detection feature
- Stable and responsive graph
- Simplified display with sound feedback
(Sound frequency changes as you approach apical foramen with separate tone when you reach apex)
- Rechargeable Li-ion battery with long battery life (no need for frequent battery replacement)
- Auto power-off feature to enhance battery life
- Autoclavable Accessories
- Antimicrobial coating over the lip hook
- 1 year warranty on the main unit & six months warranty on accessories.

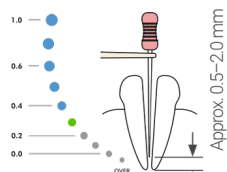

Technical Specifications :

Weight	150 Gm.
Dimensions	100 x 90 x 90 mm.
Power consumption	< 0.3 W
Battery	3.7 V, 1000 mAh, Li-Ion rechargeable battery
Charger Specs	5V, 2.4 amp, C Type

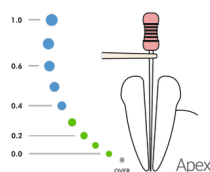

Measures root canals accurately and precisely

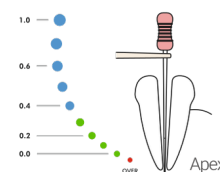

LED graph gets activated when the file is inserted into the root canal.

Green LEDs in the graph get activated when the file tip reaches near apex (*critical area*)

Fourth green LED (Marked by 0.0) in the graph gets activated when the file reaches Apex (*Apical foramen*) position.

Red LED (Marked by word *over*) will get activated if file exceeds apical foramen position

Standard product packaging includes

Innovpex - 1 Apex Locator Unit	- Qty 1
Power Adaptor & Cable	- Qty 1
Main cable	- Qty 1
Probe cable	- Qty 2
Lip Hook	- Qty 3
User Manual Warranty Card
